

MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report for Wednesday, 2 July 1952

1. BQFIEND. The Cedar team arrived in Athens from Germany on 30 June, escorted by [ ] who will become a permanent member of the BQFIEND staff in Athens. This movement was requested by the German station as the Cedar team was occupying needed training facilities. An infiltration mission into the Gjinokaster area is planned for the team in July.

(IN 12233; 15800; 13095)

The four man Pine team exfiltrated via Yugoslavia arriving in Greece on 27 June. This team operated in the KUKes region in northern Albania during the summer and fall of 1951 and then moved to the Kossovar region in Yugoslavia for the winter. S/W contact has been maintained with the team. Because of their extended operational activities, the debriefing should contain especially valuable information. (IN 15885)

2. BQCONVOY. ZRELOPE assessment of Bulgarian refugees on Syros has developed a potential high-level agent. He has been removed from the refugee group to a safe house for intensive evaluation of his potentialities.

[ ] reports that the SO guides who escorted the Barley mission across the border on 26 June have returned safely to Greece. No further details have been received.

[ ], a contract agent, having been admitted for permanent residence under Sec. 8 of the Immigration Act (CIA 100-quota), returned to the U.S. on 30 June for documentation. He is being changed to contract

employee status at an increased salary.

3. QXBROIL. No report.

4. JBEDICT. No report.
